Work Experience

Frontend Developer (2025-Present)

- Built and structured responsive web pages using clean HTML5 and CSS3 code.
- Styled web layouts to ensure visually appealing and user-friendly web interface displays.

UI/UX Designer (2024 - Present)

- Designed intuitive UI/UX layouts, wireframes, and interactive prototypes using Figma.
- Conducted user flow planning to create seamless digital user experiences for web and mobile.

AI Tool Integration (2024 - Present)

- Leveraged Artificial Intelligence (AI) tools to optimize workflow, generate creative design assets, and streamline problem-solving.
- Utilized AI-driven prompts to assist in content drafting, design ideation, and visual asset enhancements.

Head of Documentation Division – Student Council (OSIS) (2025 – 2026)

- Media & Content Leadership: Led the documentation team in capturing, editing, and publishing high-quality photo and video content for major school events.
- Graphic & Event Design: Designed visual promotional assets, posters, and social media content using Canva and Figma.
- Team Coordination: Coordinated team tasks, assigned equipment, and managed event schedules to ensure seamless coverage of all activities.
